TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sales herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of books.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$1.00 handling fee for packing and processing up to 10 lots; each additional lot 10¢. (Other cataloguers charge 50¢ per lot)
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U. S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 20 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By Marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.

However, it apparently was collated, bound and sold by M. Young (Successor to T. Snelling?). The detached pieces as Young states are as follows: Gold Coin & Coinage of England. 1763. iv, 36pp. 7pls.; 2.- Silver Coin and Coinage of England. 1762. 53pp. 17pls.; 3.- Copper Coin and Coinage of England. 1766. 56pp. 9pls.; 4.- Silver Coin and Coinage of Scotland. 1774. 20pp. 10pls. I have dwelled at length on this most interesting book, because it is the first time I have seen these seven works in one volume. On the front fly-leaf is pasted a section of Quaritch's Catalogue 153, 1895, describing these seven works. Price was £2. 16s. In those days the English pound was \$5.00. Today, I believe this book should bring 200.00

The following lots have original bindings, albeit shaky and worn unless rebound has stated. No valuations have been noted as this is a new category for the cataloguer. HAPPY HUNTING, YOU RESEARCHERS!
